**NOTICE:** You must provide truthful and complete answers to the following questions to the best of your ability. We are relying on the information you provide to determine whether you are eligible for coverage. We have the right to review all of your medical records to verify the accuracy of your information during the first 24 months you are covered. However, do not assume we will review all of your medical records before approving your application. This means that you may lose your health benefits including coverage for treatment already received. Rescission may occur even if we review your medical records or seek medical confirmation of your health information as part of processing your application. *Please read this section carefully before signing the application.*

- 1. I understand that it is mandatory that I notify Anthem, in writing, immediately if I (the applicant) or any other person for whom coverage is sought receives medical treatment, advice, care or a diagnosis for any illness, injury or condition after the date I sign this application but before my coverage approval date. I understand that in this situation the new information will not be considered as a pre-existing condition. However, Anthem has the right to review my application, using the new information to determine whether to approve the application for coverage and, if approved, to determine the appropriate premium rate.**
- I understand that sending my initial premium with this application, and the receipt of my payment by Anthem, does not mean that coverage has been approved. I may not assign any payment under my Anthem program. I am applying for the coverage selected on this application. I understand that any premium quote provided is preliminary and review of my application by medical underwriting may change the premium or result in a denial of coverage. I understand that, to the extent permitted by law, Anthem reserves the right to accept or decline this application, and that no right whatsoever is created by this application. I understand that if my application is denied, my bank account or credit card will not be charged.
- 3. For applicants age nineteen (19) and older, I understand that preexisting conditions are limited to 12 months after my effective date for conditions in existence within 6 months immediately prior to my enrollment date for which medical advice, diagnosis, care or treatment was recommended or received. Pregnancy is considered a preexisting condition.**
- If the plan I purchase offers a maternity rider, and I purchase that maternity rider, I understand that these benefits will not begin until after my membership has been in effect for 12 months.
- I am responsible to timely notify Anthem of any change that would make me or any dependent ineligible for coverage.
- I understand Anthem may convert my payment by check to an electronic Automated Clearinghouse (ACH) debit transaction and that my original check will be destroyed. The debit transaction will appear on my bank statement although my check will not be presented to my financial institution or returned to me. This ACH debit transaction will not enroll me in any Anthem automatic debit process and will only occur each time I send a check to Anthem. Any resubmissions due to insufficient funds may also occur electronically. I understand that all checking transactions will remain secure, and my payment by check constitutes acceptance of these terms.
- By signing this application, I agree and consent to the recording and/or monitoring of any telephone conversation between Anthem and myself.
- 8. I understand I am applying for individual health coverage which is not part of any employer-sponsored plan. I certify that neither I nor any dependent is receiving any form of reimbursement or compensation for this coverage from any employer. I understand that I am responsible for 100% of the premium payment and I am also responsible to ensure that premiums are paid.**
- I understand that my domestic partner, if applicable, is only eligible for coverage if: he or she has been my sole domestic partner for 12 months or more; he or she is mentally competent; he or she is not related to me in any way (including by blood or adoption) that would prohibit us from being married under state law; he or she is not married to or separated from anyone else; and he or she is financially interdependent with me.
- If I purchase optional dental coverage for the Dental Blue<sup>®</sup> Essential plan, I understand that I will have a twelve month waiting period for coverage of Major Restorative Services. *(For a description of Preventive, Diagnostic and Major Restorative services, please refer to your marketing materials.)*
- By signing this application I certify that I understand that Anthem Life has the right to deny my application for Term Life Insurance Coverage, and if it does, I will be notified in writing. I understand that if Anthem Life declines this coverage, no benefits will be payable. I understand that I alone am responsible for reading and accurately completing this application, and I must communicate any changes to my status. I also understand that all other conditions of my medical application apply for the life application.
- I acknowledge that I have read the Significant Terms, Conditions, and Authorizations, and I accept such provisions as a condition of coverage. I represent that the answers given to all questions on this application are true and accurate to the best of my knowledge and belief, and I understand they are being relied on by Anthem in accepting this application. Any act, practice, or omission that constitutes fraud or intentional misrepresentation of material fact found in this application may result in denial of benefits, rescission, or cancellation of my coverage(s).  
If tobacco use question in Section B or Section C is answered "NO", I understand that the signature(s) shown on the following page will attest to non-tobacco usage for the past 12 months.

Any person who knowingly and with intent to defraud any insurance company, health maintenance organization, self-insured plan, or other person, files an application for insurance containing any materially false information or conceals, for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act, which is a crime.

I give this authorization for and on behalf of any eligible dependents and myself if covered by Anthem. I am acting as their agent and representative.
